Pioneer celebration gets underway

PAHOKEE - Pahokee's 60th Birthday Party, the Pioneer Celebration, will get underway Friday, March 19 with the Pahokee Chamber of Commerce 31st Annual Awards Banquet. The Citizen of the Year Award will be presented at the

banquet in the Prince Theater.

Afterwards, Country music singer Judy Bailey will provide entertainment. Saturday, March 20, festivities will be kicked off with a 100 unit parade.

The parade will be highlighted by Pahokee native Mel Tillis; a White House representative; Seminole Indian Chief James Billie; Judy Bailey; Florida Congressman Skip Bafalis; and Senator Henry Saylor, chairman of the Florida Republican Committee.

Also scheduled to participate in the parade on be put on display will be a 52 State flag EAM RTC Command vehicle, various exotic cars and a pick-up truck build specially for Clint Eastwood. According to the committee putting the celebration together, the truck took five ears and 4,000 hours to build at a cost in excess of \$40,000.

Ten antique Thunderbirds and a Civil Air Patrol Plane will also be displayed during the festivities.

Arts and crafts displays and food booths will be located at the harbor area north of City Hall with a live concert featuring the "Little Blades of Bluegrass" from West Palm Beach.

A 4 p.m., 15 hot air balloons, with Chuck Rohr from Fort Lauderdale, the number two balloonist in the nation, are scheduled to leave the harbor in a race across the lake, depending on the winds.

Saturday's festivities will conclude with a dance at the Elk's Club featuring the Barry Herman Orchestra. The dance starts at 9 p.m.

Local churches will honor their pioneers Sunday and provide "Dinner on the Grounds."

Pahokee, the only city actually on the shore of Lake Okeechobee, was incorporated March 22, 1922.

It was named Pahokee after a Seminole Indian word, "Pay-Hay-O-Kee," meaning land of grassy waters.

The first White settlers in the area were commercial fishermen who called the area the East Beach. By 1904, several fishing camps had been established in the area.

Soon, it was discovered that the black soil in the area, muck, was able to grow almost anything and could not be equalled for production in many parts of the world.

Today, most of the winter vegetable and sugar cane crops comes from the Glades region, of which Pahokee is a part.

Until the middle of the 1920s, water provided the only mode of transportation into and out of the region.

It took the hurricane of 1928, which claimed over 1,000 lives, before the federal government turned its attention to the need for a major, all-encompassing water control program.

Construction of Hoover Dike, named after President Herbert Hoover, began in the 1930s. Today, it encircles the entire lake.

Control of mass break-out seminar planned

BELLE GLADE - A thwarted escape plot involving outside accomplices, believed to be Mariel refugees, has helped bring a Control Force seminar to Glades Correctional Institute, according to Robert V. Turner, superintendent at GCI.

The seminar is scheduled for next Friday, March 26, at the training building behind the county offices on 441.

The State Attorney General will review the control force at 3:30 p.m. along with a Governor's Advisory Committee.

According to Turner, the institution is running the risk of an assault from outside the institution. It came to the attention of the authorities that it was running the risk when smuggled weapons were discovered on the compound. Intelligence sources informed authorities that an assault in-

volving outside accomplices was planned in which perimeter guards would have come under fire.

According to Turner, the planned assault was "temporarily" broken up when the plot was discovered.

The institution holds some Mariel boat lift refugees who are considered bad security risks and "hard to do anything with," said Turner.

In an effort to thwart such an assault if it should ever occur, the Dade County Public Safety Department will be training control forces from mid- and South Florida institutions at the seminar next Friday.

The Federal Bureau of Investigation will also be setting up a continuous training program, according to Turner.

3rd Annual Afro Arts Festival slated

By ALMA HENRY

BELLE GLADE - The Third Annual Glades Festival of Afro Arts will kick off Saturday, March 20, with a parade at Glades Central Community School at 10 a.m.

Mrs. Celester Monroe, director of the festival, said:

"The Executive Board welcomes the participation of the Glades Community in helping them to renew the spirit of togetherness, love, peace, and black heritage."

According to Mrs. Monroe, the board has also planned events, entertainment and refreshments. In keeping with the Festival theme, "This Spirit Must Live On," the Executive Board is recognizing the importance of education.

Graduating classes will be honored from Everglades Vocational High School, the first high school for Blacks in Palm Beach County, Lake Shore High, East Lake High, Pahokee High and Glades Central High Schools.

Beginning Wednesday, the Glades Festival of Afro Arts has on display at the Belle Glade Municipal Library, "Famous Blacks" and other exhibits.

Following the parade on Saturday, the Rev. Alvin Jones, pastor of the New Bethel A.M.E. Church of South Bay will preside over the opening ceremony at the Lake Shore Park at 11 a.m.

Mrs. Monroe said the Rev. Richard Phippen, pastor of the Mt. Zion A.M.E. Church, and the Pahokee High School Chorus under the leadership of Kevin Boynton will appear on the program.

City Officials are also expected to present a proclamation to the Festival Executive Board during the opening ceremony. Miss Afro Arts, Junior Miss Afro Arts and Lit-

tle Miss Afro Arts and the contestants will also be presented.

The program will continue throughout the day with events at the Lake Shore Park and Civic Center.

Mrs. Monroe said numerous informational and profit booths will be in operation at the Park.

Black Gold Jubilee events begin

BELLE GLADE - The Black Gold Jubilee gets underway this weekend and will extend through Palm Sunday, April 4.

A bowling tournament at Triangle Bowling Center will open the Jubilee this year on Saturday, March 20. The tournament will begin at 1 p.m. The tournament was set for March 20 and 21 because the other two weekends were overcrowded with other activities.

Cash prizes and trophies will be awarded to the winners in men's singles, women's singles, men's doubles, women's doubles and mixed doubles.

Beginning Monday, March 22 and running through Saturday, March 27, a racquetball tournament will be held at Airport Park.

Other scheduled athletic events during the jubilee include a softball tournament, a tennis tournament, a golf tournament and a marathon minus one half.

The bulk of the activities will be held Saturday, April 3, at Airport Park, and Palm Sunday, April 4, at the Marina.

More candidates join race for Pahokee seats

PAHOKEE - There will be opposition in at least four of the six city-wide races in the Pahokee elections May 2.

Three city council seats, the city marshal, the city clerk and the mayor are all up for election this year.

In the Group I race, the council seat currently held by Hugo Rainieri, three candidates have qualified and one has announced his intent to run. Rainieri, calling himself a "one term" man, has decided not to seek re-election.

"Tell them not to re-elect anybody," said Rainieri.

Diane Stevens, a housewife, filed her qualifying papers last week. She lives at 771 SE 7th Street.

Dwight Ronald Graydon, an employee of South Florida Conservancy District living at 141 North Flame Avenue, is also qualified to run in the Group I race.

Previously, Ramon Horta, Jr., 21, of 2587 SW 14th Terrace, qualified. He is an employee of Royal Crown Cola Co.

Glen Carrick of 198 South Lake Avenue also qualified for a spot in the Group I race. Carrick manages the Southern Oil Company.

Skip Lanham of Banyon Avenue has announced his plans to run in the Group I race also. At press time, Lanham, a musician, had not qualified.

Four candidates have qualified in the Group II seat currently held by Council President George Rashley, Sr. Simon Train Hastings, 255 SW 14th Street, qualified earlier this week. He is an employee of WTRK radio station.

Jim Usher, of 788 East Main Street, also qualified. He is employed by Peninsula Insurance.

The third candidate qualified to run in the Group II race is Helen Webb, a housewife residing at 683 East 7th Street.

George Rashley has stated that he probably will not run for re-election, but his son, George, "Walker" Rashley, Jr., has qualified for the race. The younger Rashley, an employee at Everglades Memorial, resides at 547 Bacon Point.

In the Group III race, Jon Mock, 25, of 149 1/2 Bacon Point Road is the only incumbent who has filed to run for re-election.

Mock, who works for South Bay Growers, won his first term on the council two years ago.

He will be opposed by Wynona L. Cummings, a school teacher at Pahokee Junior High School. Cummings lives at 231 Banyon Avenue.

Cummings had served on the council prior to 1978, when she was defeated in her run for re-election by George Rashley, Sr.

In the race for Mayor, two candidates have qualified.

Incumbent Mayor Duncan Padgett is his bid for re-election will be opposed by Nick Gingery of 1978 East Main Street. Gingery is employed by Crosby Mobile Home Sales.

Padgett had served as mayor of Pahokee for 20 years before retiring in 1980.

In 1981, he was appointed to the position by the council upon the resignation of Noma Norman.

In the race for city clerk, Betty McCoy of Greenstar Avenue is seeking re-election. She has served as clerk for ten years. No other candidates have qualified at press time.

Carmen Salvatore III has also filed for re-election as city marshal. Salvatore has been city marshal for 13 years.

The final date to qualify for the May 4 election is April 2.

Pahokee native advances

ST. LOUIS, Mo.—Monsanto Company has named Pahokee native George D. Rozelle manufacturing consultant.

He received his B.S. degree in chemical engineering from the Georgia Institute of Technology in 1957. He has been with Monsanto since 1957.

This program, which was established in 1981, offers the technical employee the opportunity to follow a career path of technical contribution to Monsanto's manufacturing operations. It further recognizes the contribution of the employee through years of experience with a record of solid accomplishments in

147 seniors dually enrolled at PBJC

HERALD-OBSERVER, Thursday, March 18, 1982, Page 3

LAKEWORTH - March 8 was the first day of classes at Palm Beach Junior College for 147 county high

school seniors who would have lost their Social Security entitlement May 1 had they not become full-time

college students before the cutoff date, according to Charles Graham, PBJC Registrar.

PBJC Central enrolled 69; PBJC South, 37; PBJC North, 27; and PBJC Glades, 14 in the classes which include Freshman Communications I and Social Institutions.

In the past, Social Security aid to children (because of disability,

death of one parent, or other reasons) has ceased at age 18 except when the child was already enrolled as a full-time college student.

That exception ends May 1.

Since many high school students had not been aware of the May 1 deadline in time to arrange for dual enrollment before the start of Winter Term

classes in January, PBJC received requests to offer the dual enrollment classes.

Freshman Communications I is offered on Mondays and Wednesdays, and Social Institutions offered on Tuesday and Thursday afternoons

at the four campuses.

These two courses which are required of all college students are being taught in an eight-week session which began March 8. Six credit hours in an eight-week session is the equivalent of 12-credit hours.

Pot arrest made

BELLE GLADE - A Belle Glade resident was arrested Thursday, March 11, and charged with attempted sale of marijuana and possession of marijuana over 20 grams.

Belle Glade Police Sergeant William Bullock had allegedly observed Erskine James McKinley, 23, of 661 SW Seventh Street, number one, make street corner

transactions involving cash and coin envelopes believed to have contained marijuana, at about 9:47 p.m. that day.

When McKinley was apprehended by Officer Duke Whitlock, \$146 in cash and 18 "nickie bags" containing about 1/8 of an ounce of marijuana each, were found in his possession.

2 die in single vehicle accident

BELLE GLADE - A single-vehicle accident almost a mile east of Belle Glade Saturday, March 13 left two dead according to the Florida Highway Patrol.

Cruz Lopez, 29, of 1108 West Canal Street South, Belle Glade and Raul Leon, 26, PO Box 1211 in Belle Glade, were killed when the car they were passengers in flipped into a canal 8/10 of a mile east of the city on Airport Road.

Merced Mireles, 19, of 1108 West Canal Street South in Belle Glade, was driving the car east on Airport

Road at about 6:40 a.m. when the vehicle allegedly went partially off the road on the south shoulder. Mireles brought the car back to the road but lost control and went off the road onto the north shoulder. The car flipped up-side-down into the canal.

According to the highway patrol report, charges are pending against Mireles.

The vehicle sustained approximately \$1,000 worth of damage in the accident under investigation by Sergeant R.L. Helton and Trooper D.A. Poole.

Man charged with assault on officer

BELLE GLADE - Two counts of aggravated assault on a police officer and one count of aggravated battery on a police officer with a knife have been filed against a 57-year-old man Sunday, March 14, according to Detective John R. Carney.

Olin Groves, 57, of 156 Main Street number 22, allegedly assaulted Belle Glade

Police Sergeant William Bullock, and officers Sergio Longinos and D. Whitlock with a knife when the three were answering a call at that address. Bullock was struck with the knife. It tore his shirt, but he was not injured.

Groves was disarmed and apprehended.

As the City of Pahokee celebrates its 60th Anniversary Saturday many of the city's residents will remember Pahokee Farm Labor Supply Center. The Center served as

a housing village for 109 families. The center included auxiliary buildings, playgrounds, and a school for the migrant students. The center was eventually closed

and a new housing center was built for the increasing migrant workers moving to the Glades from the north to harvest the many vegetables grown in the area.

City gets birthday present

The Pahokee Blue Devils came back from Lakeland Saturday, March 13 with a very special 60th Birthday gift for the city of Pahokee—a class 2A state championship in high school basketball.

Pretty much ignored by the state polls during the season, the Devils surpassed even the expectations of the experts in their quest for the championship.

Their victory Saturday gives Pahokee two reasons to celebrate this weekend: the city has reached its 60th anniversary and the Devils have brought a basketball championship to the city.

A 60th anniversary is nothing to sneer at. Pahokee is situated on the shore of Lake Okechobee. It has weathered hurricanes, droughts and depressions.

Until very recently, the Everglades were almost inhabitable. Pahokee has weathered the years well and has reason to throw itself a Pioneer Celebration on its 60th birthday.

The basketball championship can only make the celebration that much sweeter. Happy 60th birthday, Pahokee.

Florida's three leading politicians, Governor Farris Bryant, U.S. Sen. Spessard Holland and Sen. George Smathers, joined 93 sugar growers in Miami in a vain attempt to hear good news on sugar quotas.

President John Kennedy said he hoped Smathers, "my close personal and political friend...will be returned to the U.S. Senate," but made no reference to the sugar quotas being sought.

The occasion was a testimonial dinner held for President Kennedy in Miami and more than 3,200 Democrats were on hand but Kennedy ignored the farmers and their hopes for quotas.

Palm Beach County Commissioners attended a State Highway Board meeting with recommendations to four-lane North Main Street as far as Hooker Highway and U.S. 27 from Bare Beach to Lake Harbor.

Belle Glade High School Band Director Freddie Stevens directed the Navy Band for one number when the maritime musicians made an appearance in the Ram gym before 1,800 students.

Many of the band members were lodged overnight in private homes because of the lack of facilities.

The area Congressional delegation managed to cut through bureaucratic red tape in Washington to continue an experimental program to develop kenaf as a substitute for jute.

Senators Spessard Holland and George Smathers and Representative Paul Rogers announced the continuation of the program.

Virtually all jute and burlap, according to the U.S. Department of Agriculture, was being imported from India and Pakistan.

The politicians said kenaf would also form another staple crop for the South Florida area.

Temporary directors filed application for a charter for Glades Rice Growers in another possible new crop for the area.

The application was for a mill, dryer and other rice production facilities.

The temporary directors were Luther Jones, Bill Graber, J.D. Johnson, George Royal, Joe L. Murphy, Carl Barber and I.L. Price.

Donald Russell Smith, 20, of Chosen was the first person in this district whose name was drawn in Washington in the latest Selective Service draft.

Accurate local order numbers weren't to be available for another week but there was a list available for the first 10 names which were to be drawn.

Following Smith were John Henry Nelson of Clewiston, Franklin Johnson of Belle Glade, Jim

Potter of Belle Glade, Henry Carl Drilling of Pahokee, Abraham Grant of Pelican Lake, Zeb Leary of South Bay, Joe Marion of South Bay, Will McMichael of Chosen and Owen Kenneth Carr of Pahokee.

A truckload of Brahman steers was wandering the South Bay-Bean City area after the Miami-bound truck they were being hauled in turned over near Bean City.

Clive Boone and Dan Whidden of the Hooker-Jones organization offered, as a friendly gesture, to round up the steers to load back on the truck.

After a half day in the saddle, Boone and Whidden said they had done a good day's work...keeping out of the way of the steers.

Emil Zywicki said one of the steers chased one of his plow hands out of a field into a drainage ditch and it took a tractor to rescue the farmhand.

More than 75 people attended the showing of a film, "Fighting The Fire Bomb" at the local high school as part of a training program for the Belle Glade Defense Council.

THE EVERGLADES NEWS
MARCH 18, 1932

A delegation from Fort Lauderdale was expected to meet committees from other points in Belle Glade during the 10 days of the Everglades Fair to consider the status of SR 29.

The meeting on the road, proposed to run from the south side of Lake Okechobee to Fort Lauderdale and Miami, was first proposed in Belle Glade in answer to letters from Broward county interests that asked for a conference on the subject.

The legislature had designated a road on a route to be selected, which was intended to connect with a series of roads down the middle of the state.

Martin County's contention that part of Lake Okechobee lies within its boundaries and therefore a part of the lake's area should be taken into consideration in computing the share of gasoline tax for the county, was rejected.

Experience...

Most people who know me think that my newspaper experience is rather brief. After all, I only came to the Glades five years ago.

Dig a little deeper, and you'll find that my experience goes back to 1965.

I believe in truth in advertising so you'll have to read and understand my words exactly as I write them.

You see, were it not for Uncle Sam, I might have become a journeyman printer, rather than a writer of words.

In October of 1965 I went to work for the Florida Times Union in Jacksonville as a printer's apprentice, a position once known as a printer's devil.

It was an educational experience for a kid just out of high school. Not only did I learn to run a proof press (an easy enough task), but I also learned to read type upside down and backward! and to hear some of the most innovative swearing anywhere.

By far the best swearers in a hot type composing room were the linotype operators. Their blasphemous swearing was enough to curdle the blood.

Apparently most were horrible typists because whenever they made a mistake or when their machine malfunctioned (a frequent occurrence), the steam turned blue with language that would shame a sailor.

When it clouded up outside, I tried to move to the other side of the room, just in case a bolt of lightning shot through the building to put the foul-mouthed operator out of his misery.

My stay at the Florida Times Union was cut short by the draft and I have to truthfully say I didn't learn a whole lot there, save for a lot of new phrases which I have long since tried to forget.

Shortly after I left the Times Union, they scrapped their hot type process (melted lead which produced type through a linotype) and went to the new cold type (photo offset) process.

I never again saw a proof press. Worst of all, my prize accomplishment, learning to read mirror image type, was as obsolete as an Edsel after the industry-wide conversion to solid type.

Not that I was any too concerned about it for the next few years as I learned, courtesy of Uncle Sam, about places with strange names like Swabish Gmeund, Rach Gia, and Huachuca.

It just goes to prove that experience isn't always so wonderful. Some experience isn't worth the memory space it takes up.

Letter to the editor

Editor: We wish to make public our appreciation to Mr. Willie Pyfrom, band director at Glades Central High School, and to the members of the Glades Central High School Jazz Band.

The level of accomplishment achieved by the students under the direction of Mr. Pyfrom was displayed wonderfully in their recent rehearsals and performance with pianist-arranger-producer, Larry Dalton.

These young people display some of the best of what the community has to offer. Their dedication and that of Mr. Pyfrom to commit themselves to

step in on a moment's notice, rehearse some difficult music in a very short time, then perform it beautifully is a tribute to themselves, their families, their school and the entire city of Belle Glade.

We sincerely hope that the community as a whole will become more aware and supportive of this fine group.

Also, many thanks to Pat and Carol Frank, Bob Hinsley, Milton Carpenter, Phil Dulany, Rita Schoenfeld and Carol Schmidt.

Sincerely,
/s/ Jim Dixon

Future of lease to be determined

By JEFF BROWN

BELLE GLADE - Will the Lakeside Country Club close down? Or will it get a new operator? Might that operator be the city?

These questions must be answered soon, and right now, John Vayias, the current operator of the club, and the city commission have the answers.

Vayias last week asked the city to lower his monthly rental rate from \$750 to \$250.

That proposal received a rather cold reception from the commission and Mayor Thomas L. Altman suggested that the \$250 rate might be acceptable if an additional per-

centage of the gross was tacked on to the monthly rate.

"It's a long way from \$750 to \$250," said Commissioner Charles Goodlett.

Vayias told the city commission at a Monday, March 15, workshop session that he could not afford a rate higher than \$250 per month, but that a percentage lease attached to the gross each month might be acceptable.

"The business is not there anymore," said Vayias, who has leased the club since March 1979. According to Vayias, other bars and clubs in town have taken over the drinking and restaurant business.

"Right now, with things the way they are, I just cannot afford anything more," he said.

Commissioner George Goforth said he favors opening the lease up to bids before any revisions are made in the lease.

"I feel like we have an obligation to get the best deal for the city that we can get," said Goforth.

Frank Anderson, the city finance director, informed the commission that the city spent \$3,998.57 last year to operate the club, an average of \$333.21 per month.

They were to receive \$750 a month in rent from Vayias.

Vayias owes the city \$5,460 in

back rent.

He has asked the city to take the rent out of his security deposit, now totaling \$6,286.89.

At \$250 per month, the city would be losing money with expenses averaging over \$300 per month.

"Personally, I'd rather see it closed up than to see us losing money," said Goforth.

Altman told Vayias that it is up to him to present the commission with an acceptable proposal. If no compromise could be reached that is acceptable to both parties, the city will have to consider three options at

their disposal: opening the lease up for bids, operating the club on its own or closing it.

"May be we can't do it," said Vayias. "Perhaps there is no middle ground on which to compromise."

Vayias told the commission that he is not interested in developing a proposal and that he would be willing to consider a lease involving a base rate and a percentage of the gross.

Ronald Crosby of Flame Avenue in Pahokee told the commission that he wished to be considered for the lease on the club if it is put up for

South Bay park to be dedicated

SOUTH BAY - The City of South Bay will be dedicating its new park, located at Palm Beach Road and S.W. First Street, on Friday, Mar. 26 at 10 a.m.

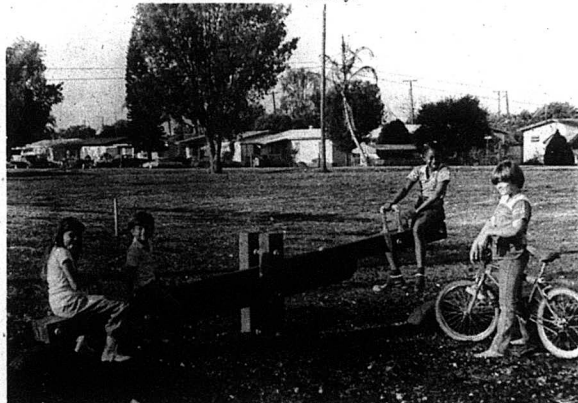

The park is located on the former site of South Bay Elementary School and was made possible with funds donated to the City of South Bay by the United States Sugar Corporation and the

Palm Beach County Community Development Department.

The park contains a tennis and basketball court, two handball courts, and wide variety of playground equipment for kids.

The park also is lighted and contains a city recreation building.

The public is invited to attend the dedication ceremony.

Although the South Bay City Park will not be dedicated until March 26, these students while waiting on a bus to take them to school on Wednesday morning had fun seesawing and bike riding. From left to

right, Wanda Cruz, Luis Hernandez, Timothy Lowman and Takelia Bennett. The students all attend Rosenwald Elementary School.

2 arrested in store robbery

BELLE GLADE - A juvenile and one local man were arrested by the Belle Glade Police Department in connection with the armed robbery of Tiny's Package Store at 556 SW Avenue E Friday afternoon. A third suspect has not been apprehended, according to Detective Norman Hevey.

Zedward Jackson, 18, of 324 SW Avenue D in Belle Glade, and a juvenile, are in custody and charged with armed robbery, grand theft, aggravated assault and persons engaged in a criminal offense having weapons, according to Hevey.

Jackson is in Palm Beach County Jail under \$10,000 bond. The juvenile was transferred to the detention center in West

Palm Beach.

According to Hevey, three men allegedly entered Tiny's at about 3:30 p.m. Friday, March 12, and held up the store. The employee on duty was allegedly grabbed by the arm and a gun was pointed at her by one of the three. The other two went behind the cash register and stole over \$100 in cash. The three fled on foot.

At about 8:30 p.m. that day, Hevey and Detective John Carney arrested Jackson and charged him with the robbery.

Hevey arrested the juvenile Monday, March 15.

The third suspect is still not in custody. He is described as a black male standing about five feet six inches.

Blue Devils no. 1 in state

Defeat Vernon for 2A title; fight mars semi-finals battle

By ALMA HENRY

LAKELAND -- The Blue Devils are state champs. The Pahokee High School Blue Devils playing in the Annual Boy's State High School Basketball Tournament in Lakeland March 12 and 13 won the Class 2A Championship.

Coach Eddie Rhodes' Blue Devils defeated Vernon 68-55 Saturday for the state title.

Although the Devils won the game with ease, they had to come from a 14-point deficit to defeat number-one ranked and once-beaten Avon Park in the semifinals Friday to play for the title against Vernon.

In a classic come-from-behind victory, the Blue Devils overcame an 11-point deficit and went on to defeat the Red Devils 66-64.

The Blue Devils were down by 10 points going into the fourth quarter, when Avon Park found itself sputtering in the wake of a scoring drought.

The fact that the Blue Devils were playing a much taller team didn't seem to have any effect.

Nor did the fact that three Blue Devils played most of the second half in serious foul trouble.

Pahokee lost to the Red Devils last year in the semifinals at Avon Park by three points.

"There was a little rivalry in our hearts and we tried to get back on the court," said Coach Rhodes.

"We got into foul trouble so early we had to go to the bench and we just didn't have any rebounding strength," he said.

"We were just getting killed inside, but in the second half we had to get our big guys in there to try and neutralize Avon Park," he said.

Playing with four fouls each, Walter Johnson

and Anthony Bayant, with help from junior Melvin Jones, went to work on the boards.

Not until the final moments of the game were the Blue Devils able to nail down their win.

Avon Park's early lead kept the Blue Devils at a disadvantage until 1:17 of the third quarter.

Trailing 56-44, Pahokee began its final comeback in quest of a semifinal victory.

Avon Park would score just six points in the fourth quarter.

Pahokee tied the game up at 58-58 with 5:31 left in the fourth quarter.

Avon Park managed to take the lead one last time at 60-58 when Charles Dunn penetrated inside for a layup, but from then on it was all Pahokee.

The Blue Devils cruised to a 65-60 lead when Floyd Henry converted two free throws. Henry was nine for nine at the free throw line for the game.

But Pahokee's come-from-behind victory was to be delayed when a fight broke out in the stands with two seconds left on the clock and the Devils leading 66 to 64.

As play resumed some 10 minutes later, Avon Park tried to even the score with one second on the clock but time had run out for the Red Devils.

Captain Floyd Henry flung the ball high into the air in celebration.

"We had revenge in our heart," said Walter Johnson, the only returning player who saw much action last year.

Coach Rhodes said it was a cast of players doing the job as they have all year long.

Johnson had seven points and 10 rebounds, Henry had 12 points, and 11 assists; Anthony

Bryant finished the game with 16 points and nine rebounds. He also blocked an Avon Park shot with Pahokee leading 65-60.

Kirk Patrick had 10 points, Antonio Wilson had six points, Joe Walker had four and Melvin Jones had eight points.

Curtis Taylor led Avon Park in scoring with 18 points. Twelve of Taylor's points came in the first half.

Pahokee also got the Red Devils in foul trouble. Doug Cook, the Red Devil's big 6 foot-7 fouled out of the game with four minutes to go and Taylor also fouled out.

In Saturday's championship game, the Blue Devils never really gave Vernon any hope of winning.

In 1979 it was Vernon who came from behind to defeat the Devils in the Championship game 66 to 64.

Saturday's victory gave Coach Eddie Rhodes his second state title in five years. Rhodes won his first championship in 1977, Rhodes' first year as head basketball coach.

Pahokee played Vernon's game in the first half and led the Yellow Jackets by only one point at half time.

Going into the half the Devils led 25 to 24.

Co-captain Walter Johnson said Coach Rhodes talked to the team at half time and told them what he wanted. "He really gave us the devil," said Johnson.

Apparently the "devil" was enough as the Blue Devils game back in the second half and played their kind of game.

Pahokee scored 16 points in the third quarter's first seven minutes to swell its lead from 26-24 to 40-26.

"We were doing pretty well in the first half but were too tense," said Rhodes, who, like his team, was extremely calm after the game.

"We were being too careful trying to be sure of everything we did. That got us in trouble," Rhodes said.

Wing guard Joe Walker, who had one basket in the first half, began taking open shots. Walker went on to score 14 points in the second half.

"I didn't have any open shots in the first half," Walker said. "They played a 2-1-2 zone defense. Our guard Floyd Henry would draw two men to him and dump it to me for the open shot."

Henry turned in a good performance, scoring 14 points, with six rebounds and eight assists.

Antonio Wilson was spectacular in the second half, scoring six points and starting numerous fast breaks.

But the main go-getter for the Devils was Co-captain Walter Johnson.

Johnson was the team's leading scorer with 20 points and nine rebounds. Johnson scored twice on offensive rebounds early in the fourth quarter.

"Johnson is the nucleus of this team," said Rhodes. "When he plays well, we play well."

Vernon could do absolutely nothing to penetrate Pahokee's swarming 2-3 zone defense. The Yellow Jackets shot only 28 percent, 20 of 70 from the floor.

Pahokee shot 58 percent. Although there were doubt Friday as Pahokee came-from-behind to beat Avon Park, Rhodes said he knew his team could do it all along. But once Pahokee told a 17 point lead with five minutes left, Rhodes said he breathed a sigh of relief.

"Then, I knew we had it," Rhodes said. When the game was over, the Devils had accomplished what it set out to do five months earlier... to win the state championship.

The win capped a season in which Pahokee won 18 of its last 20 games to finish with a 22-6 record.

Members of the 1981-82 Championship team are Anthony Bryant, Floyd Henry, Antonio Wilson, Joseph Walker, Walter Johnson, Kirk Patrick, Melvin Jones, Daniel Outler, Juan Rubio, Anthony Smith, Alvin Hill and Albernard Walker.

The Champs were escorted back into Pahokee by the Pahokee Police Department and were given a hero's welcome by citizens lining the streets of Pahokee as the Devils rode into town.

Gators extend record to 4-1

BELLE GLADE — The Glades Day Gators softball team, riding a strong defensive team and the arm of MaryLynn Thompson, won three games last, extending their record to 4-1.

The Moore Haven Terriers were trounced 16-9 Tuesday, March 9 as Thompson gained her second victory.

Kelly Teets led the Gator offense with five hits in five trips to the plate, knocking in seven runs.

Tammy Scruggs went two for two and batted in four runs.

It was the second time in less than a week that Thompson had pitched the Gators to victory over the Terriers. The previous week, they had defeated Moore Haven 10-8. Thompson had won both games. Coincidentally, Dawn Hart had lost both those games for the Terriers.

Thompson is now 3-0. She won her third game Thursday, March 11 against Christian Day. The Gators beat the Crusaders 5-2 in a five inning game. That game was shortened by rain.

The Gators also beat John Carroll in extra-innings last week.

Dully Blanchard led the Gators to a 16-9 victory in the nine inning contest that ended when Shiela Lesley drove home the winning run in form of Imi Tomeu.

Tomeu had reached first on a fielder's choice and took second when the first baseman couldn't retrieve a poorly thrown ball.

Angee Adams moved Tomeu to third with the a sacrifice, setting up the two-out, game winning RBI for Lesley.

Prior to the Belle Glade Christian game, Teets had been leading the club with a .500 average, nine RBIs and one home-run.

Tammy Scruggs had an average of .462 and six RBIs.

Lesley, batting .333, had five RBIs. This week, the Gators host Benjamin and Palm Vista. Both games start at 4 p.m.

J I CASE DEALER OPPORTUNITY

We are looking for enterprising businessmen who understand agricultural equipment retailing. "We" being the J I Case Company. Founded in 1842, Case now has over 3,000 dealers world-wide and an unsurpassed reputation for product quality, reliability and current growth. If you think that the farm equipment business requires involvement with many different product lines, you'll find Case an interesting exception. As a Case Tractor Specialist, you concentrate on one major product line, agricultural tractors and related tillage tools, because Case builds nothing but tractors for the farm market. Case Dealers sell twelve basic tractors 43 to 300 horsepower. Five models are under 90 horsepower, four are the exciting new 90 series - 108 to 180 horsepower, and our three big four-wheel drive tractors lead the booming 4WD market.

A high potential marketing area is available now. As a Case Tractor Specialist, you would benefit from liberal financing policies, attractive consumer terms and time-proven Case Rental Systems. Case product and policy advantages, when combined with your own aggressive sales and management abilities, will afford you the opportunity to realize an excellent return on your investment.

Are you interested? Please contact J I Case Co.

The Majesty of Belief
The name of an ancient temple? Something more
A monument to the majesty of belief
Long ago when the cataphracts of Greece and Rome
haggled, then raised this center of worship. The region
was "holy" as we would say - sacred in myth and magic. Yet
these weathered columns tell of the search of millions for
spiritual truth.
As we continue the search today, we must control our
whole being to the quest. Our churches help to channel our
passions and unite toward purposes which express our
Christian faith.
The true majesty of belief can only be found in stone if it
is seen most clearly in the architecture of the believer.

David Manley concert planned

David Manley, a singing Lay Evangelist of Port St. Lucie, will give a pre-Easter concert, Sunday March 28th, at 4 p.m. at the Everglades Presbyterian Church. His program will include Lenten, Palm Sunday and Easter selections.

Mr. Manley is well known in the Belle Glade area having given concerts here in June and December of last year.

He has ministered in music as a Layman in Greenview, S.C. and Louisville, Ky. He is now a member of the non-denominational Fellowship Meeting at Florida Institute of Technology Chapel and

DAVID MANLEY

serves as a singing Lay Evangelist to churches of all denominations in south and central Florida.

The public is invited to attend this Christian concert.

DR. DAVID T. EVANS

EVERGLADES PRESBYTERIAN CHURCH

Many Christians have centered their interests and beliefs upon the second person of the Trinity to the exclusion of the other two. We have become worshippers of the Son and have forgotten about God the Father and God the Holy Spirit.

the early Hebrews were right when they cried, "Hear O Israel: The Lord our God is one Lord." God is one but He has revealed Himself as Father, Son, and Holy Spirit. If we stop with the Old Testament we miss the full revelation of God in Jesus Christ the Son and the Holy Spirit.

the Hebrew word Elohim translated God is in the plural form. The Spirit of God is mentioned separate from God the Creator. In Genesis 1:26 we find "Then God said, 'Let us make man in our image.'"

God in the New Testament is revealed as Father, Son, and Holy Spirit, the gospel of John tells us that God gave His only Son as an expression of His love for the world. The Gospel of Matthew says "Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit."

At the baptism of Jesus we see the appearance of all three persons of the Godhead. The Son is baptized, the Holy Spirit descended as a dove, and the voice of the Father from heaven said, "Thou art my beloved Son, and Thee I am well pleased."

The Church was founded by God the Father's reconciling love in Jesus the Son and carried on by the work of the Holy Spirit who came from both the Father and the Son.

the Holy Spirit makes real to us the love of God in Christ - the life, death, and resurrection - so that we become convinced by so strong a motivation that we are wrong and helping without Christ.

The Trinity is made up of three personalities who have different functions in the divine government. Someone has said that the Father is the one revealed, the Son is the revealer, and the Holy Spirit makes real that which is revealed.

Although different, each of the three are still God and the same. Just as H₂O appears as water, steam, and ice, it is still the same.

In worship the Holy Spirit guides us as to what to say to the Son, who presents our case to the Father. Christ, our advocate, has interceded for us who have no right of our own to approach God because of our sinful and impure nature.

The love of God becomes more real by the Holy Spirit as we approach God the Father as children whose way is made possible by the sacrifice of the Son.

Let us live, work, and love, therefore, in the name of the Father, Son, and Holy Spirit.

Miles and Webb

Local concerts are planned

PAHOKEE - Tonight at 7 p.m. a special concert by Miles and Webb of Regeneration will be given at the First Baptist Church of Pahokee, 225 Bacom Point Road.

On Saturday, March 20, at 7 p.m. the Cavaliers of Perry, Fla., will perform and on Sunday, March 21, in celebration of Pahokee's 60th birthday, special music by

the Cavaliers and the Hunt Family from the Berean Baptist Church in West Palm Beach will be given. Stanley Frye of Lynchburg, Va. will be the evangelist nightly and

for the meeting on Friday night. The Rev. Joe Hudson, Pastor of the First Baptist Church invites everyone to attend the services.

'Future Survival' to be shown

"Future Survival" a film produced by the Emmy Award winning Cording-Humphries Films, will be shown at Calvary Tabernacle now meeting in Everglades Presbyterian Church on 1040 N. Main St.,

Belle Glade, Friday, March 19. The film investigates the consequences of ignoring the direction this planet seems to be heading. Chuck Smith, Bible teacher and pastor of Calvary Chapel takes a journey

to the world's "hot spots" as we look ahead to the future.

The film is open free of charge to the public.

Annual ARC barbecue set

The American Red Cross second annual barbecue and "Fire-Matics" competition will be held on Sunday, May 30, from 1 p.m. until 4:30 p.m.

Local volunteers of the Palm Beach County Chapter of the American Red Cross recently began preparations for the annual event. The Committee recommended that Glades Area am-

bassadors be asked to participate in the "Bucket Brigade" competition.

The Belle Glade Fire Department won the impressive traveling trophy last year. There will be entertainment and activities throughout the afternoon of May 30th of the Memorial Day weekend.

The Red Cross barbecue benefit will raise funds to help establish a local Red Cross office in the Glades area. Anyone wishing to help with this special project is urged to contact Doug Wooten at 996-1637.

Choral group to perform

BELLE GLADE - The Florida Memorial College Concert Choral, under the direction of Roosevelt Williams, will be featured at the St. John First Baptist Church, 600 SW Eighth Street in Belle Glade at 8 p.m. March 26.

THE LAKE SHORE Safety patrol was preparing to go to Washington, D.C. on Thursday, March 11. Students are to be accompanied

by chaperones Anna Littles, Gloria Whitley and Robert Polce.

Safety patrol goes to Washington

BELLE GLADE - Members of the Lake Shore Middle School Safety Patrol went to

Abrams named Miss Afro-Arts

BELLE GLADE- Miss Andrea Abrams of Pahokee was crowned Miss Afro Arts Tuesday night at the Lake Shore Civic Center before a standing room only crowd.

Miss Abrams, the daughter of Ms. Georgia Ann Maxey of Pahokee, attends Pahokee High School.

She is a member of the Archonettes, a girl's club sponsored by the Zeta Phi Beta Sorority. She is active in a number of school activities.

The new Miss Afro Arts performed a dramatization to the music of "The Creation" for the talent competition.

Miss Waynette Curtis of Pahokee was named the first runner-up. Miss Vergie Williams, a senior at Glades Central High School, also competed in the competition.

Miss Tonya Allen was named Junior Miss Afro Arts. Miss Sophia Hudson was chosen as the first runner-up and Miss Harva Miller was named

the second runner-up. All three contestants performed a creative dance routine during the talent presentation.

Miss Nikiis Harrell, the daughter of Mr. and Mrs. Freddie Harrell, was crowned Little Miss Afro Arts. A student at Christian Day School, Nikiis performed a poetic dramatization for her talent presentation.

Miss Antoinette Simeton, the daughter of Mrs. Ola Mae Simeton, was named the first runner-up in the Little Miss Afro Arts contest.

Miss Dynisha Jackson, Miss Afro Arts Sweetheart 1981, presented the winners with a bouquet of roses and a trophy.

Judges for the competition were Kevin Boynton, James West, Ms. Sherry Davis, Mrs. Louella Vickers and Rev. Richard Thigpen.

The winners will ride in the Third Annual Glades Festival of Afro Arts parade Saturday. Nineteen young ladies participated in the contest.

Contestants were Lawanda Everett, Shakira Hamilton, Dennise Seymour, Sonia Singletary, Joette Bell, Tammy Harris, Edna Henderson, Shanita Maybin, and Dionne Tolbert.

The Glades Central Male Ensemble and the Lake Shore Elementary Dance Group also performed during the program.

The Rev. James Allen, Jr., served as Master of Ceremonies for the pageant.

Local students win science fair award

WEST PALM BEACH- Students in the West Area Gifted Program received an Award of Excellence for their projects entered in the Region XI Science Fair, Elementary Division.

The Science Fair was held at the Palm Beach Mall. The award was accepted Friday evening, March 12, by Brian Seider, a second grade student at Gove Elementary and

Christopher Campbell, a third grade student at St. Peter's Lutheran School.

Accepted were a plaque and a check for \$100. There were 44 elementary schools entered in the contest, according to Sue Hickerson, a teacher in the West Area Gifted Program.

The winning groups of projects were selected for their use of scientific methods and projects constructed

with a minimum of adult supervision.

Individual projects were completed by students in grades three through six.

The gifted students also entered a group project entitled Dinosaur Diarama. The project was completed by Yvonne Boja, a third grader from Rosenwald Elementary School, Kristi Jones, Brian Seider, second grade students from Gove; Ronald Bailey,

Edwin Hastings and Charity Martin, second grade students from Pahokee Elementary, and Cynthia Brown, a third grade student from Gladeview.

Individual projects entered in the contest were:

-"Carbon Dioxide and Plant Growth" by Christopher Campbell of St. Peter's Lutheran School.

-"Whistle Pipe" by Karen Faye Pierson of

THE HUNT FAMILY will be performing on Sunday, March 21 at the First Baptist Church of Pahokee starting at 7 p.m. The group is from the Berean Baptist Church in West Palm Beach.

Garden study club meets

The Belle Glade Garden Study Club met March 12th, at the home of Joan Baughman with Virginia Mowen co-hostess.

President Creech presided and led the group in reciting the Collect followed with pledge of Allegiance to the flag.

12 members were present.

Bea Wood reported on attending breakfast with the beautification committee and contact with the city regarding the beautification of the north east corner of the bridge and old chamber of commerce, stating they gave the ok for planting there.

Linda Steele was winner of the Begonia plant in the raffle. In the Horizontal centerpiece arrangement Joan Baughman took first place, Sue Murphy second, Theresa Lutz third. Sue Murphy was first with the Kalanchoe plant. Specimen, Bea Wood and Ruby Jones took second with a tie.

The club agreed to order several copies of "A Sketchbook of Easy Flower Design" for members to purchase and also for sale elsewhere.

Officers for the new year were elected as follows: President, Mrs. E. M. Van Landingham, Vice President Mrs. Wallace Lutz, Secretary, Mrs. Marlan Chapman Treasurer, Mrs. Bobby Steele.

Announcements were made of District 10 meeting to be held March 26th in Tequesta. Flower Show at Palm Springs April 3rd and 4th, two of the judges will be Life members of our club, Mrs. Ruby Jones and

Mrs. Ivan Van Horn. Joan Baughman led a tour of her flower garden patio showing

many plants and giving ideas on planting and varieties of plants suitable to the area and time for planting.

Humphrey-Cano announce plans

Mr. and Mrs. James Humphrey of Belle Glade and Mr. and Mrs. Larry Cashwell of Stuart announce the engagement of their daughter, Melanie Ann Humphrey, to Carlos Alberto Cano.

Mr. Cano is the son of Mr. and Mrs. Jorge Cano, former Belle Glade residents, now residing in Miami.

Miss Humphrey is a 1978 graduate of Glades Day School.

She graduated from Palm Beach Junior College in December, 1981, and is presently attending Florida Atlantic University.

Mr. Cano graduated from Glades Day School in 1977 and attended Abraham Baldwin Agricultural College in Georgia. He is presently employed with Edens Construction Company in South Bay.

A June wedding is planned at First Baptist Church of Belle Glade.

Free program slated

The American Lung Association of Southeast Florida will hold a free program for adults with respiratory problems Thursday, March 25, 1 p.m. at the Glades General Hospital Conference Room, 1201 S. Main St., Belle Glade. Dave Baker from the Lung Association will make a presentation on "What Can Go Wrong With The Respiratory System".

Anyone interested in learning about respiratory problems is invited to attend. These programs are sponsored by the American Lung Association of Southeast Florida and are made possible by Christmas Seal Donations.

Womans Club elects

Officers for the coming 1982-83 year were elected by members of the Pahokee Woman's Club during the business meeting on March 10.

Anne Wilkinson was elected president of the club and other officers on the slate were Vivian McKinstry, 1st vice-president; Ethel Johnson, 2nd vice-

president; Julia Wilkinson, corresponding secretary; Susan Rozelle, recording secretary; Janette Johnson, treasurer; Clark H. Wilkinson,

parliamentarian, and Uldene Todd, chaplain. Received as new members of the club were Doris Donovan, the wife of Rev. A. F. Donovan, pastor of the First United Methodist Church in Pahokee, and Veronica Harrington, Secretary of the Pahokee Chamber of Commerce.

Opening hours for the Pahokee Museum, during the 60th Anniversary Celebration were announced. The hours on Saturday, March 20, will be from 12 noon until 6 p.m., and on Sunday, March 21, from 2 until 5 p.m. The Museum is sponsored by the Pahokee Woman's Club.

Hostesses for the luncheon on March 24, will be Vivian McKinstry, Virginia Stokes and Wynona Cummings.

Cook's corner

Mrs. Weeks moved to Pahokee in the early 1930s. Her father, Leslie Angel helped build the dike around Lake Okeechobee.

She married in 1942 and moved to Belle Glade during the war. She worked at Florida First National Bank until the war was over.

For the next 10 years she was a housewife and mother. She then moved back to Pahokee and went to work at the Bank of Pahokee in 1953 as a bookkeeper. She was later promoted to head bookkeeper.

Mrs. Weeks still leads a very busy life. She is a member of the First Baptist Church of Pahokee, treasurer of the Belle Glade Business and Professional Women's Association and has lived in Belle Glade now for the past 13 years.

This recipe will be included in the cookbook Business and Professional Women's Club will be selling at the Black Gold festivities the first week in April.

MEAT LOAF SUPREME

- two cups bread crumbs
- three-fourths cup minced onion
- one-fourth cup minced green pepper
- two eggs
- two lbs. ground chuck
- two-tablespoons horse-radish (optional)
- two and one-half teaspoons salt
- one teaspoon dry mustard (or prepared mustard)
- one teaspoon accent
- one-fourth cup evaporated milk
- one-fourth cup catsup
- Dash of worcestershire sauce (if desired)

Prepare bread crumbs (Mrs. Weeks says she uses two or three day old hamburger buns or biscuits crumbled fine) onion and bell pepper. Add beaten eggs, salt, mustard, horse-radish, accent, milk, catsup, worcestershire sauce to ground chuck. Add pepper, onions, bread crumbs to mixture. Handle little as possible—but mix well.

Shape into one loaf or two small ones. Put a strip of bacon on top and spread catsup on top. Bake at 400 degrees in preheated oven for 45 or 60 minutes. Drain juice and serve.

PEO initiates member

Mrs. Nancy C. Smith was hostess to Chapter AG members of the P.E.O. Sisterhood, Thursday afternoon, at her home, 1740 Southeast Avenue K Place, Belle Glade.

Prior to the initiation of Mrs. Nancy S. Carpenter as a new

member in the Sisterhood, refreshments with a St. Patrick's Day theme were served.

During the afternoon, officers were installed for the ensuing year. Mrs. Miriam W. Burgess will serve as president. She will be

assisted by Mrs. Barbara M. Markham, Vice-President; Mrs. Liska H. Hooker, Recording Secretary; Mrs. Joanne K. Connel, Corresponding Secretary; Mrs. Nancy C. Smith, Treasurer; Mrs. June T. Mikell, Chaplain; Mrs. Eleanor W. Schlechter, Guard.

It was announced that two of the chapter

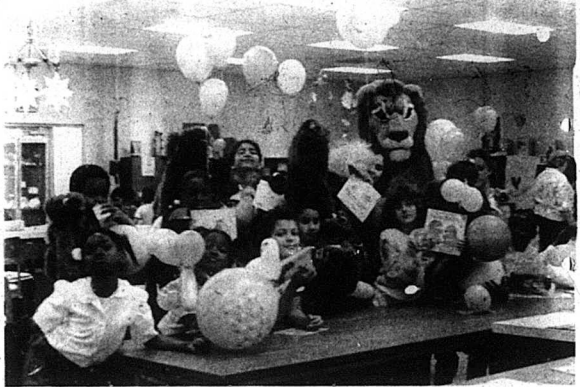

members would be performing at the Cultural Arts Program, Palm Beach Junior College, Glades Campus, Thursday evening, March 11th.

Mrs. Betty H. Thiebaud would present a book review, and Mrs. Karen V. Corbin would act as piano accompanist for the guest vocalist.

Dixon completes basic training

Pvt. Alan S. Dixon, son of Emanuel Dixon of Belle Glade, and Clara M. Dixon of 711 N.E. 38th Court, Pompano Beach, has completed basic training at Fort Jackson, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

THE MEDIA Center at Gove Elementary was alive with lions, little munchkins and a Dorothy look-alike recently when RIF promoters distributed books to students at the

school. Shown with the students is Linda Chazin, teacher. The Lion's costume was loaned by the Belle Glade Lion's Club for the occasion.

Puppets brighten RIF program

BELLE GLADE — Lions were growling and music was playing during Gove Elementary's Reading is Fundamental, Inc. (RIF) program held recently in the school media center.

Lifeseize lions decorated the cafeteria and puppeteers from Linda Chazin's gifted

student class roamed the media center holding conversations with the children.

RIF is a national, non-profit organization that has worked with local groups since 1966 to promote reading among young Americans. It is associated with the Smithsonian Institution and maintains offices in Washington, D.C.

RIF project select and buy inexpensive books and offer them to youngsters at "book distributions."

Youngsters choose and keep books they like. Citizens responding to the Gove Project included Mrs. Linda Chazin, Mrs. Anne Lovell, Mrs. Elyne Garrell, Mrs. Jane Schoenfeld, the Lion's Club, Mrs. Nancy Guzman, Mrs. Mary Frances Cooper, Mrs. Letha Rice, Barnes Smith, Eddie Lively, Mrs. Gwen Collins and Mrs. Dorothy Abecrombie.

Students prepare for Europe trip

BELLE GLADE — A group of Glades Day students will be leaving on a ten day tour of Europe Friday, March 19, but while they're touring the Old World, another group of handicapped local students will be trying to raise funds for a one day trip to the Bahamas.

Thirty-four Glades Day students will tour Holland, Germany, Switzerland, France and England from Friday, March 19, to Sunday, March 28.

The trip was arranged by the American Institute for Foreign Study of Greenwich, Connecticut.

In the meantime, letters soliciting donations will be sent to local organizations by Doris S. Davis and her class at the Exceptional Child Education Center at Gove Elementary School.

According to Davis, the class of about 15 students is attempting to raise about \$1,700 for a one day trip to the Bahamas in May.

"Because these children are handicapped and for the most part come from low-income families, this is probably an opportunity of a life-time

for them," the letter reads. "We have planned several fundraising activities, but will still need some financial help. Will you please help us give these children a memorable end-of-the-year activity?"

Among the planned fundraising activities is a Plant and Pink Elephant Sale and Bake Sale April 5 through 9.

Every Thursday, the group will wash cars on the school grounds for \$2 each from 12:30 p.m. to 2:15 p.m., according to Davis.

There will also be a \$25 grocery certificate raffled on April 16. It will cost about \$99 per student to take the May 28, cruise, according to Davis. So far, the group has raised enough for the \$25 deposit the company needs to hold places open for them on the trip.

Fourteen of the 15 students and five chaperones will make the trip, leaving the port of Miami at 6 a.m. on May 28 and arriving at Freeport at 2 p.m. the same day. They will arrive back at Miami early the next morning.

CREDIT PROBLEMS?

If your loan application to purchase a new or used car was turned down by the bank or other lending institution, the Steuarts may have good news for you. For a limited time, we have over \$200 million dollars available for auto loans. Credit requirements are more liberal than what you've probably experienced. Terms are longer, and no down payment is necessary. Interest is well below PRIME LENDING. RATES CHARGED BY MOST BANKS.

Call now and drive home today in a new Pontiac, Toyota, Mazda, Ford, or Peugeot. Call for an appointment or ask in. Ask for Mr. Foster, Special Fund Finance Manager.
